I have considered and understand the nature of the activities offered at Lee Valley White Water Centre (LVWWC), both water based and land based and I accept that these activities can expose participants to many risks and could cause physical or fatal injury. I have discussed participating in these activities with my child (as named above) and I give my consent for my child to take part in these activities.		
I have read and understood the Safety for Water Users leaflet (a copy of which is available at www.gowhitewater.co.uk) and I have discussed these with my child and I am satisfied that my child is sufficiently competent to understand these requirements and the importance of abiding by the rules.		
I have read and understood the Safety & Risk Declaration form (a copy of which is available at www.gowhitewater.co.uk) and I have explained this declaration form to my child and I am satisfied that my child is sufficiently competent and able to make the declarations contained within it.		
I accept and have impressed upon my child that the instructors will only be able to assist my child if they follow their instructions carefully and that acting outside the instructor's advice may be dangerous and may cause my child or a third party problems or injuries which may, due to the nature of the activities undertaken, be fatal.		
My child is able to swim competently and is sufficiently fit and able to take part in the activities even in difficult conditions requiring physical exertion, for both water and land based activities and is able to participate in all the activities.		
I have listed above all of my child's medical conditions and treatments which are relevant to the activity.		
In the event of an incident or accident involving my child, I agree to my child receiving first aid from a suitably qualified person.
